Please email us at soniceliteolympia@gmail.com to schedule a private evaluation or for more information about registration and placements.

Evaluation date: May 16th 2020

Evaluation Fee: \$450

After evaluations athletes will be placed on a team. If athletes do not make an Elite All Star team, we will email a new packet to fill out and bring to SEO. You are responsible for the above evaluation fee at the time of evaluations. The fee covers uniforms, tuition, and camp deposits plus sales tax. Payments can be paid by cash or check. (Credit card payments will be subject to an additional 3% fee.)

Things to bring to evaluations:

- All forms that are required from this handbook (See Pg. 2)...filled out and signed.

Elite All Star Teams:

Elite All Star teams are for the most dedicated cheerleaders that are committed to going as far as they possibly can in their skill development and in the sport. Being a member on an Elite team is *by invite only*. Athletes will travel out of state for multiple competitions and have more hours per week in the gym than all other teams. These athletes will be expected to be at all additional conditioning, tumbling, and stretch classes offered during the week.

Elite Team practices:

One-hour tumbling class, one-hour stretching class, and six hours total team practices per week (all included in tuition).

Section 2 - Communication

Our coaching staff is happy to talk with you or your athlete about any concerns that you have. Please understand that due to having so many athletes, teams, and classes here at SEO, staff members are often very busy and may not have time to chat in-between practices. We do ask that for topics pertaining to joining SEO, practices, clinics, classes, competitions, events, apparel orders, teams, athlete accounts, invoices, payments, or anything related to finances, please email us at:

soniceliteolympia@gmail.com

In the event you would like to have a face-to-face meeting with an SEO staff member before or after a practice, you must make a request via the email above and confirm an appointment at least 24 hours in advance. We ask that this is done so we can plan enough time to adequately address any concerns you have and ensure that your needs are met.

Unless it is an **emergency**, please refrain from texting, Facebook messaging, or instant messaging our staff. If it is an **emergency**, please use any means necessary to contact the staff member you need directly.

Section 3 - Attendance Expectations

Throughout the season attendance is incredibly important! If just ONE person is missing during a practice other athletes are affected. Poor attendance stunts the development of other athletes and the overall momentum of the team. Because of this we require near perfect attendance. We want to give every athlete the opportunity to progress as far as they possibly can in the sport of All Star Cheerleading.

Each athlete is only permitted ONE unexcused absence and THREE excused absences during the entire duration of the season.

If athletes need to request an excused absence please print the excused absence request form from our website, fill it out, and send it to practice with the athlete at their next practice. Parents will receive an email shortly after stating whether or not the request was granted. We encourage you to make all absence requests in advance as soon as possible.

Unexcused:

- School activity that is not required and/or does not affect a grade.
- Non-contagious illness.
- Car trouble or issues getting a ride to practice.
- Practices or events for other sports the athlete participates in, including high school cheerleading.

Excused:

- School activity that is required and affects a grade.
- Contagious illness with a doctor's note.
- Family emergency.
- An absence requested on an "absence request " at the time of registration or with as much notice as possible.

Tardies:

While we understand things can happen that might make athletes late to practices, it is important for everyone to understand that athletes being late will affect a practice, just like an absence will. Every three tardies during the entire duration of the season will result in an unexcused absence.

15+ minutes late:

- 30 minutes of individual conditioning after the next practice, no exceptions. (Athletes will be benched at practices until this is completed.)

30+ minutes late:

30 or more minutes late to practice without proper notification, or not showing up at all, is considered a no show. A no show will result in the following consequences:

- Considered an unexcused absence.
- 30 minutes of individual conditioning after the next practice, no exceptions. (Athletes will be benched at practices until this is completed.)
- A \$50 *no show fee* will be billed to account.
- Possible \$150 *choreography fee*.
- Possible re-assignment to a different position or a different team

Competitions and Choreography Camp:

Attendance at the entirety of choreography camp and all competitions is **MANDATORY**. *Zero absences two weeks prior to a comp are permitted for any reason.* An absence of any kind within two weeks of a competition or at choreography camp will result in a **\$150 choreography fee**, the athlete possibly not competing in the next competition, possible reassignment to a different position on their team, or to a different team.

Practices:

During the season all practices, clinics, and classes are closed to family and friends unless otherwise stated. Non-athletes are asked to wait in one of the two kitchen areas only or outside of the building. Any areas other than those are off limits to friends and family during any practice or class at the gym. Athletes can be dropped off at the front of the building and will meet their rides in the areas mentioned or outside of the building after practice. Family and friends are not permitted to enter the cheer gym before, during, or after practice under any circumstances.

Practices are usually two to three days per week and are one and a half to three hours long, depending on the team. Athletes are encouraged to participate in stretch and tumbling classes offered at SEO outside of regular practices. All stretch and tumbling classes are free to SEO athletes. Always make sure to be well hydrated and have recently eaten before coming to practice or a class.

The practice atmosphere is all business (mostly...we have fun too!) so come ready to work, push yourself, learn, and progress your skills. A good attitude is expected from all athletes inside of the gym at all times. SEO is a “drama free” zone... Please leave it at the door. The gym is our athlete’s sanctuary. We are practicing for competitions. Give each practice your absolute best effort at all times. Your coaches have high expectations and will accept *nothing less*. We want to help athletes become the best that they can possibly be and we need your best effort to achieve that together.

Red Weeks:

This is new for the 2020 season! There are specific weeks during and before camps and competitions, *any absence* will result in possible removal from positions or competitions. Red weeks will be clearly marked on the monthly calendars and are available in Section 4 - Important Dates (Pg. 7).
